Experience

National Polymer Industries Ltd., Dhaka, Bangladesh

Full Stack Developer, Jan-2020 – Present

- Developed frontend and backend with best practices
- Created REST APIs for different applications
  My Recently Completed projects are:

  NPOLY Sales - a fully automated sales solution for the NPOLY sales teams capable of collecting sales orders through mobile apps and managing sales orders from head office through dashboards. The backend provides REST APIs for everything. This automatic sales flow helps increase an average of 20% sales growth.

  Tech Stack: Node.js, Express.js, TypeScript, React, React Native, Redux Toolkit, Next.js, Oracle DB, Linux Server, etc.

  NPOLYBAZAR.COM – a MERN stack e-commerce website for NPOLY Group.
  - Frontend built by React & Redux, Tailwind CSS, and deployed on Vercel
  - Backend/REST API generated by Node.js & Express.js
  - Data stores on MongoDB and the backend deployed on Heroku

  NPOLYGROUP.COM - a corporate website for NPOLY Group
  - This project built on top of React, Next.js, TypeScript, and Chakra UI
  - Deployed on Vercel

Junior Software Developer, Mar-2018 – Dec-2019

- Developed and customized static websites of different NPOLY sister concerns.
- Write custom script for validating data and generating reports using Oracle DB
- Implement and customized Oracle EBS in different NPOLY sister concerns

Assistant Executive, Oct-2016 – Feb-2018

- Oracle EBS Data Cleaning, Preparation & Reporting
- Network & Hardware Troubleshooting

Technical Expertise

- **Languages** : JavaScript, TypeScript, C, C++, Python, HTML, CSS
- **Lib/Frameworks:** : React, React Native, Redux, Next.js, Node.js, Express.js
- **Databases** : MongoDB, Oracle DB, MySQL
- **Others** : Linux, Nginx Server, Heroku, Vercel, Firebase, Android Studio, Git & GitHub

Activities

Contributing to open-source, Reading 50+ books every year since 2018, writing tech blog on The Dev Community, answering questions on Stack Overflow, Solving programming problems on Hackerrank, and also writing about tech, Islam, book reviews, and personal thoughts in Bengali on Medium.com

Education

Diploma-in-Engineering, Computer Technology, **Rajshahi Polytechnic Institute**, 2011-2015, CGPA: 3.49 out of 4.00
